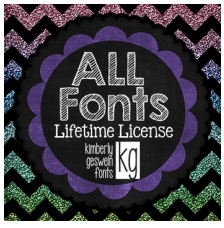
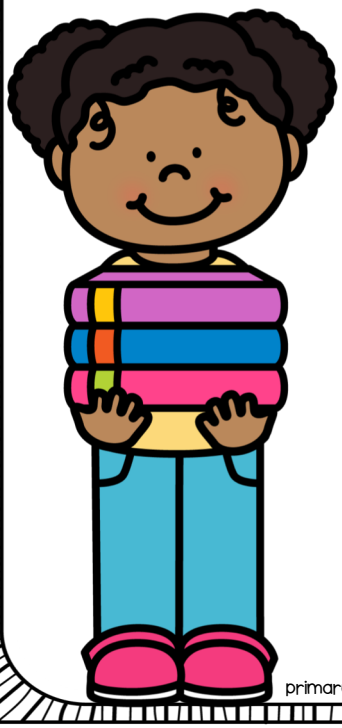
This product uses the following creative elements:



Help Us Care for Our Planet!

We're having an Earth Day book exchange!



Our class is learning about ways to take care of the Earth! One way we are practicing the 3 R's - **Reduce, Reuse, and Recycle** - is by having a **Class Book Swap!**

How it works:

Please have your child bring in a gently used book they no longer read.
Books should be in good condition.
Send the book to school by: _____

We will display all the books on a table, and each student will get to choose a "new" book to take home and enjoy!

If you need help sending in a book or have any questions, please don't hesitate to reach out.

Thank you for helping us make a difference!
